

Proclamation

Presented to

Oceanit

WHEREAS, Oceanit was founded in 1985 as an engineering firm by Dr. Patrick K. Sullivan and quickly established a reputation for developing innovative solutions in the areas of aerospace, energy, engineering, information systems, life sciences and manufacturing; and

WHEREAS, Oceanit is recognized for its excellence in advanced technology research and development built on the cornerstone of innovation and entrepreneurship; and

WHEREAS, by implementing a mind-to-market approach, Oceanit brings disruptive thinking, science and engineering to create new knowledge and technology for humans and society; and

WHEREAS, this open innovation process, together with trans-disciplinary thinking creates the ability to bring disruptive innovation to solve some of the world's toughest problems; and

WHEREAS, in its 30 years of business in Hawai'i, Oceanit has worked to build the local technology industry by coaching students in robotics and other science, technology, engineering and math programs; and

WHEREAS, as the founding co-organizer of Stanford's Design Thinking program in Hawai'i, Oceanit has helped businesses and organizations to address new technology adoption, product realization and business processes;

THEREFORE I, DAVID Y. IGE, Governor, and I, SHAN S. TSUTSUI, Lieutenant Governor of the State of Hawai'i, do hereby proclaim November 23, 2015 as

"OCEANIT'S 30 YEARS OF INNOVATION DAY"

in Hawai'i and encourage the citizens of the Aloha State to join us in recognizing Oceanit as they consistently discover the edges of thinking and create breakthroughs in science, engineering and technology in the next 30 years.

DONE at the State Capitol, in the Executive Chambers, Honolulu, State of Hawai'i, on this twenty-third day of November 2015.

DAVID Y. IGE
Governor, State of Hawai'i

SHAN S. TSUTSUI
Lt. Governor, State of Hawai'i
