      - Performance
      - Haumana cultural artifacts
      - Haumana academic work
- Recommendations for Governor's ESSA Team
  - Recommendation #1: Student success is measured and communicated through the use of multiple forms of assessment instead of a single standardized state test
    - Growth
    - Readiness
    - Cultural Competency (performance, artifacts, academic work)
    - Individualized learning plans

- Recommendation #2: Na Hopena A'o is foundational to how the proposed global learning outcomes and student learning are assessed
    - Reflection of whole child development
    - Contribute to self, family, and community well-being
- Question and Answer: pilot funding by KSBE, sustaining the work, “incubators of innovation”
- Debrief by ESSA Team

## **INFORMATION BRIEFING: Research-based Practices – Darrel Galera**

- Video: Why are so many of our teachers and schools so successful?
- <https://www.youtube.com/watch?v=rzwJXUieD0U>
- Discussion on effect size and using research to inform blueprint

## **ESSA TEAM UPDATES & DISCUSSION**

Discussion and Updates:

- State testing and length of testing
- Report and discussion on town hall meetings on Kauai, Big Island, Molokai, Lanai, and Oahu. Ongoing challenge for compiling input but agreement that valuable input is being provided by all stakeholders. Examples shared.
- Discussion of next round of community engagement meetings on Big Island, Kauai, Maui, and Oahu. Dates and locations to be finalized.
- Updates to ESSA Team calendar, meetings, presentations, and timelines
- Suggestion made to request to present to complex area superintendents at DOE Leadership Team

## **ESSA TEAM WORK SESSION**

ESSA Team members worked on the design of the blueprint

- Discussion and temperature check on vision focus areas
- Review of blueprint outline
- Work session on attributes and elements of vision focus areas
  - Example of school and community empowerment area
  - Work session on the following areas: system leadership, school leadership, teacher leadership. school innovation, learning environments, early learning, achievement gap, student voice, school empowerment, opportunities for student success, and opportunities for educator success
  - Sharing out and discussion
- Next Steps

Meeting adjourned at 4:00 p.m.
