

“What Influences Student Achievement” – John Hattie

		YES, we should focus on ...
Attributes of students	d=.08	Teachers working together as evaluators of their impact d=.93
Structure of schools or classes	d=.10	Power of moving from what students know towards explicit success criteria d=.77
Programs	d=.16	Errors are welcomed as opportunities to learn, trust d=.72
Technology	d=.22	Maximize feedback to teachers about their impact d=.72
Accountability	d= .22	Accurate use of surface teaching to deep teaching d=.71
Home or parents	d=.25	Goldilocks principle of challenge (not too easy, not too hard) and deliberate practice d=.60
Length of school day or school year	d=.07	
Class size	d=.21	
Learning styles	d= .17	
Repeating grade or class	d= -.13
