KEMA will review all security and enforcement plans to ensure compliance with this rule. Submittal of a plan constitutes an agreement to abide by this rule and all other emergency rules, proclamations, or orders. Security and enforcement is the responsibility of the participating facility. Provided any violation of the EMQ is immediately referred to the Kaua'i Police Department for criminal prosecution.

7. Electronic monitoring of any person subject to the EMQ. The electronic monitor must be wearable with the ability to detect removal of the device;
8. Ensure rental car restrictions are enforced;
9. Any facility must be able to enforce their safety protocols in place per their health and safety plan;

10. Any facility that voluntarily participates will immediately report any suspected violations to the Kaua'i Police Department;
11. A clear method for providing notice to the community of EMQ areas along the perimeter of the facility including parking areas and the adjacent shoreline; and

EMQ participants must sign the waiver confirming that the following is entirely voluntary: 1) participation in the program, 2) electronic location monitoring, 3) the waiver of express privacy interests including health information, 4) acknowledgment that they are still subject to all state imposed quarantine restrictions within the EMQ area, and 5) a full assumption of risk related to contracting COVID-19 including a waiver of any claims against the County of Kaua'i and State of Hawai'i.
