An owner or operator of any business or operation *shall* refuse admission or service to any individual who fails to wear a face covering, unless an exception applies under this section. Businesses or operations may adopt stricter protocols or requirements related to face coverings and face shields. Businesses or operations not enforcing this rule may be subject to enforcement, including fines and mandatory closure.

Definition: "Face covering" as used herein means a tightly woven fabric (without holes, vents, or valves) that is secured to the head with either ties or straps, or simply wrapped and tied around the wearer's nose and mouth. Face coverings must comply with the recommendations of the Center for Disease Control and Prevention ("CDC"), as such recommendations may change from time to

time. The current CDC guidelines are available at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html>. Examples of compliant homemade masks and other facial coverings may be found at: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>. A medical grade face-covering is not required.

Face shields (plexiglass/clear plastic shields, etc.) are not permitted as substitutes for face coverings unless an exception to the face covering requirement applies. Individuals who are unable to wear a face covering due to medical conditions or disabilities where the wearing of a face covering may pose a health or safety risk to the person, or other exception, are encouraged to wear a face shield instead.

The wearing of face coverings is intended to complement, not serve as a substitute, for physical distancing and cleanliness.

Any seller of face coverings, or materials or supplies to make or manufacture such face coverings, shall abide by Haw. Rev. Stat. §127A-30.
