Mayor

**SANDY K. BAZ**  
Managing Director

**OFFICE OF THE MAYOR**  
COUNTY OF MAUI  
200 S. HIGH STREET  
WAILUKU, MAUI, HAWAII 96793  
[www.mauicounty.gov](http://www.mauicounty.gov)

**PUBLIC HEALTH EMERGENCY RULES, EFFECTIVE JUNE 15, 2021**

The virus that causes Coronavirus 2019 Disease (“COVID-19”) is a novel severe acute respiratory illness that is easily transmitted, including by individuals who are infected but show no symptoms. As of June 14, 2021, there were more than 167 million cases and nearly 3.5 million deaths globally, and the United States continues to record the highest numbers of cases, with 33,470,367 cases and nearly 600,000 deaths (<https://coronavirus.jhu.edu/map.html>). To date, there are 37,011 cases and 506 deaths in the State of Hawaii, with 3,945 confirmed cases in Maui County, not including 843 cases classified as “probable” (<https://health.hawaii.gov/coronavirusdisease2019>).

On June 7, 2021, Governor David Y. Ige issued the Twenty-First Proclamation related to COVID-19, which continued the mandatory 10-day quarantine for persons entering the State of Hawaii, with pre-travel testing and other exemptions in accordance with the Twenty-First Proclamation and the State’s Safe Travels program (<https://hawaiicovid19.com>). In addition, the Twenty-First Proclamation eliminated the 10-day interisland quarantine.

These Rules reflect the progress made in the County of Maui toward reducing the threat of the spread of COVID-19 through safe practices. As a

result, reduction or elimination of some restrictions is appropriate in limited and controlled environments. These Rules are based on evidence of COVID-19 within the County and State of Hawaii, as reported by the Centers for Disease Control and Prevention (CDC), the State Department of Health (DOH), scientific evidence, and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically.

By the authority vested in me as Mayor of the County of Maui, by the Revised Charter of the County of Maui (1983), as amended (“Charter”), the Constitution and laws of the State of Hawaii, I, MICHAEL P. VICTORINO, Mayor of the County of Maui of the State of Hawaii, hereby amend, adopt and promulgate the following rules, pursuant to Section 127A-25, Hawaii Revised Statutes (“HRS”), which have the force and effect of law. Violation of any of the following rules is punishable as a misdemeanor, with fines of up to \$5,000, a maximum of one year in jail, or both.

## **RULES**

**Rule 1: Work in businesses, operations, and activities.** Pursuant to sections 127A-12(a)(5), 127A-12(c)(12), 127A-13(b)(4), businesses, operations, and activities may operate during this emergency as set forth in the State’s Proclamation and these Rules. Without limitation, “businesses” include for-profit, non-profit, or other entities, regardless of the nature of the service they perform, or their corporate or entity structure. All businesses are permitted to remain open except as otherwise provided by these Rules, and subject to all

restrictions and physical distancing requirements, the Governor's Twenty-First Emergency Proclamations, any subsequent proclamations or orders, the State Department of Health Reopening Hawaii Safe Practices, and any CDC and industry guidelines. **Exhibit A** details specific requirements for certain businesses, operations, and activities.

**Rule 2: Act with care.** All persons shall implement the following safe practices.

**A. Social gatherings.** The Rules stated herein may be superseded by rules promulgated by the Governor. Indoor social gatherings of up to 10 persons are permitted and outdoor social gatherings of up to 25 persons are permitted. More than one group may gather outdoors, provided physical distancing of at least 6 feet between separate groups is maintained. Gatherings of members of a single residential or family unit sharing the same address are not restricted.

A social gathering is defined as a gathering or event that brings together persons from multiple households or living units at the same time for a discrete, shared, or group experience in a single room, space, or place, such as a private home, park, auditorium, stadium, arena, conference room, lunch room, meeting hall, or other indoor or outdoor space.

A social gathering does not include, and this definition does not apply to businesses that have supervision, monitoring, and other enforcement protocols in place, such as events overseen by commercial event operators, or are otherwise subject to specific rules or restrictions, e.g., the state and federal court

systems, state and federal offices and functions, Department of Education, daycares, preschools, private schools, universities, and similar institutions.

**B. Face coverings required.** The requirements of Governor Ige's Twenty-First Proclamation, Exhibit I, as amended, are incorporated herein by reference. Pursuant to the State's Proclamation, individuals shall wear face coverings over their noses and mouths when in public settings. Individuals are not required to wear face coverings "while outdoors."

**C. High risk populations.** Elderly and others at high risk for Covid-19 should consider getting vaccinated, or stay in their residences or practice physical distancing at all times to the extent possible, except to seek medical care.

**D. Exposure Notification System.** All residents and travelers into Maui County, whether inter-County or transpacific, are strongly encouraged to download either the AlohaSafe Alert application or another Google-Apple Exposure Notification System application, or enable their exposure notification setting on their mobile device.

**E. Persons who are sick.** Persons who are sick, have a fever, cough, or who are exhibiting symptoms such as shortness of breath, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell, are urged to stay in their residences to the extent possible, except to seek medical care.

**F. Six-foot distances.** All persons should maintain a minimum of six-feet of physical separation from all other persons, that are not household members, to the fullest extent possible.

**G. Limited occupancy.** Businesses shall determine and enforce the maximum number of persons that may be accommodated, by limiting the number of individuals within a facility based on physical distancing requirements.

**H. Sanitation measures.** Businesses should make hand sanitizer and sanitizing products readily available for employees and customers. Employees handling items from customers, such as cash or credit cards, should utilize hand sanitizers.

**I. Disinfection.** Businesses should regularly disinfect all high-touch surfaces. Businesses and operations should assign, train, and schedule employees to sanitize carts, conveyors, counters, handles, knobs, and other high-touch surfaces.

**J. Safeguards for high-risk populations.** Businesses should implement processes to safeguard those not fully vaccinated and other high-risk customers.

**K. Signage.** Businesses shall post a sign at the entrance of the facility informing employees and customers that they shall, at a minimum: wear CDC recommended face coverings while in the business or operation; avoid entering

the business if they have a cough or fever or otherwise do not feel well; and maintain a six-foot distance (physical distancing) from one another.

**L. Enforcement.** Businesses shall refuse to allow entry to persons not wearing face coverings, unless an exception applies under the State's Proclamation. Businesses not in compliance with any of these Emergency Rules may be subject to enforcement, including fines and mandatory closure. Subsequent violations may result in increased fines and/or longer periods of mandatory closure.

**Rule 3: County meetings or hearings.** County meetings or hearings, including contested case hearings, are suspended, provided that meetings or hearings may be held to the extent such meetings or hearings are conducted by telephone or video conference as determined solely by the County department providing administrative assistance to the board or commission and in accordance with Exhibit E of the State's Twenty-First Proclamation.

**Rule 4: County parks and beach parks** will be open from 7:00 a.m. through 7:00 p.m., except that outdoor County courts (e.g., tennis, basketball, etc.) may remain open until 8:00 p.m. Only permitted commercial activities are allowed.

**Rule 5: Liquor control officers** ("LCOs") shall have the authority to enforce emergency rules at any establishment licensed to sell alcohol pursuant to Hawaii Revised Statutes Chapter 281. An establishment that is not in compliance with these rules, including those listed in Exhibit "A", attached

hereto, shall be subject to immediate closure for a twenty-four hour (24) period effected by the Maui Police Department and/or LCO. Liquor licensees not in compliance with the requirements of these rules shall also be subject to penalties enforceable pursuant to the Liquor Laws of Hawaii, Hawaii Revised Statutes Chapter 281, which may include a reprimand, fine, suspension, and/or revocation of the liquor license.

**Rule 6: Mandatory travel quarantine and travel quarantine lodging.** Transpacific travelers into Maui County shall abide by the Governor's Proclamation for travel, exceptions, quarantine, lodging, health screening, and any other requirements.

Travelers whose negative test results are not available at the time of arrival shall quarantine at their place of lodging for 10 days or the duration of their stay in Maui County, whichever is shorter, unless an exception applies under the Governor's emergency proclamation. Persons who are subject to a travel quarantine and who require paid or commercial lodging shall quarantine at an approved travel quarantine hotel or motel. A Short-Term Rental Home, B&B, or transient vacation rental shall not be designated as their place of quarantine. The hosts of any person subject to mandatory self-quarantine are subject to all provisions of these Rules and the Governor's Proclamation.

Travelers who are confirmed to be COVID-19 positive will be directed by the Department of Health to quarantine at their place of lodging.

June 15, 2021

Page 8

Persons shall bear all costs related to their pre-travel testing, and any subsequent costs related to their COVID-19 status, including, but not limited to, monitoring, lodging, potential isolation, and any associated care.

These rules shall take effect on June 16, 2021 at 12:01 a.m., unless otherwise specified, and repeal the Emergency Rules promulgated May 15, 2021. These Rules shall be repealed upon the earlier of: 1) subsequent promulgation, or 2) termination of the Proclamation of Emergency for Maui County.

---

MICHAEL P. VICTORINO  
Mayor  
County of Maui  
June 15, 2021

APPROVED:

---

MOANA M. LUTEY  
Corporation Counsel  
County of Maui

REVIEWED AND APPROVED:

---

DAVID Y. IGE  
Date: June 18, 2021

**EXHIBIT "A"**

**RULES FOR  
BUSINESSES, OPERATIONS, AND ACTIVITIES**

- 1. All businesses, operations, and activities shall comply with:**
  - a. The State's Proclamation and these Rules; in the case of a conflict, the most stringent shall apply.
  - b. Applicable physical distancing requirements (including face coverings), unless a specific exemption or exception applies.
  - c. Businesses may request reconfiguration of the customer usage area, such as expansion of table seating or merchandise display into a business's parking lot, in order to provide for adequate physical distancing, by letter to the Mayor's Office. Such reconfiguration shall not exceed the scope of the use pre-Covid.
  - d. Businesses, operations or activities that are conducted in outdoor settings, such as golf, tennis, and outdoor photography, should comply with CDC guidelines on sanitation.
  - e. Hygiene.
    - i. Employers must provide hand washing capability or sanitizer for employees and customers.
    - ii. An adequate supply of soap, disinfectant, or hand sanitizer must be available at all times.
    - iii. Frequent hand washing by employees, especially between interactions with customers.
  - f. Staffing.
    - i. Provide training for employees regarding these requirements.
    - ii. Conduct pre-shift screening, and maintain a staff screening log.
    - iii. No employee displaying symptoms of COVID-19 should provide services to customers. Symptomatic or ill employees should not report to work.
    - iv. No person should work within 72 hours of exhibiting a fever or other COVID-19 symptoms, and follow the CDC's "What To Do If You Are Sick" guidance, available at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>.
    - v. Employer should establish a plan for employees getting ill and a return-to-work plan following CDC guidance, which can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>.
  - g. Cleaning and Disinfecting.
    - i. Cleaning and disinfecting must be conducted in compliance with CDC guidance.

- ii. When an active employee is identified as being COVID-19 positive by testing, cleaning should be performed as soon after the confirmation of a positive test as practical consistent with CDC guidance.
- iii. CDC guidance can be found online at: <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>

**2. Restrictions on shared indoor spaces** (e.g., lunchrooms, breakrooms, conference rooms, etc.). There is a heightened risk of spreading COVID-19 in shared indoor spaces located in public and private businesses. Under circumstances where utilizing indoor spaces is necessary, operators should:

- a. Limit capacity so that a minimum of 6 feet is maintainable at all times.
- b. Ensure face coverings are worn at all times, except when actively eating and drinking.
- c. Clean and disinfect in accordance with CDC guidelines.
- d. Improve ventilation to the extent possible and feasible.

**3. Musical practices and performances**, including singing. No more than 10 musicians on stage, six-foot distance between musicians, and a minimum of ten feet between the stage and audience. Dancing may be allowed in accordance with guidance provided to commercial event operators below. Seating should follow restaurant guidelines, or for stadium type seating, physical distancing is required (maximum number of occupants, distancing between groups). Karaoke is allowed, provided the singer is at least 10 feet from others.

**4. Restaurants, bars, food courts, and other food establishments** shall comply with the following requirements:

- a. General.
  - i. Bars and restaurants must close no later than midnight. This restriction does not apply to drive-through, non-liquor related take-out, delivery, or room service only. For non-liquor related take-out service, customers shall not enter the restaurant past midnight.
  - ii. Maintain physical distancing between different groups.
  - iii. Compliance with all regulatory guidelines.  
Development, posting, and implementation of written protocols (“COVID-19 Mitigation Plan”) consistent with County, State, industry-specific associations or organizations, and CDC guidance to mitigate the spread of

COVID-19 including, but not limited to the following:  
<https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/business-employers/bars-restaurants.html>

- b. Operations.
  - i. Face coverings.
    - 1. Employees must wear face coverings while indoors.
    - 2. Customers - Customers must wear face coverings at all times while indoors, but may temporarily remove a face covering while actively eating or drinking.
  - ii. Seating is arranged so that six (6) feet of separation is maintained between tables. Limit indoor occupancy to no more than fifty percent (50%) of the maximum interior occupant load. Outdoor occupancy will be limited by physical distancing capacities between separate groups.
  - iii. The number of persons at one table should be no more than 10.
  - iv. Condiments should be by request in single-use disposable packets, or reusable condiment containers that are sanitized between parties.
  - v. Condiments, silverware, flatware, glasses, or other traditional table top items should not be left on an unoccupied table.
  - vi. Tables and chairs should be fully sanitized after each group (or individual customer) leaves the restaurant.
  - vii. Disposable foodware and utensils should be used when available. When non-disposable foodware or utensils are used, they must be sanitized after each use consistent with DOH guidance and regulations, and “best practices” of the FDA (available here: <https://www.fda.gov/food/food-safety-during-emergencies/best-practices-re-opening-retail-food-establishments-during-covid-19-pandemic>), as updated or superseded.
  - viii. Provide disposable menus or menu board, or sanitize reusable menus after each use.
  - ix. Hourly touch-point sanitization (workstations, equipment, screens, door knobs, restrooms, etc.) is recommended.
  - x. Buffets, salad bars, and other types of self-service of food are not allowed.
  - xi. Dancing may be allowed in accordance with guidelines for wedding operators below; karaoke is allowed provided the singer is at least 10 feet from others.
- c. Specific requirements for bars:
  - i. Limit indoor occupancy to no more than fifty percent (50%) of the maximum interior occupant load of the bar. Outdoor

- occupancy will be limited by physical distancing capacities between separate groups.
- ii. Limit groups within the bar to a maximum of ten (10) individuals per group.
  - iii. Ensure groups within the bar maintain at least six (6) feet of separation from other groups.
  - iv. Prohibit groups within the bar from intermingling.
  - v. Designate areas to separate groups at least six (6) feet apart from each other (e.g., through ropes or other physical separation for standing areas, or the seating of guests at separate tables, or both).
  - vi. Ensure individuals in different groups maintain a minimum of six (6) feet of physical distance from each other to the greatest extent possible.
  - vii. Require all employees to wear face coverings while indoors.
  - viii. Ensure all customers wear face coverings at all times while indoors, except customers may temporarily remove face coverings while actively eating or drinking.
- d. Encouraged practices:
- i. Have customers enter and exit through different entries using one-way traffic, where possible.
  - ii. Start or continue entryway, curbside, and home delivery.
  - iii. Encourage making reservations, preordering for dine-in service, and ordering for contactless pickup and delivery either by telephone or other remote means.
  - iv. If meals are provided to employees, employers are recommended to have the meal individually packaged for each employee.
  - v. Implement cashless and receiptless transactions.
- e. Any exceptions to these provisions for special events must be approved by the County of Maui.
- f. For purposes of this section, a facility is classified as “outdoor” as long as no more than 50% of the structure’s perimeter has impermeable walls, allowing sufficient, unrestricted outdoor air movement resulting in cross ventilation. Such walls must be non-adjacent or non-continuous. Adjacent walls are walls that touch to form a corner, but do not include retractable walls or structures that are opened during operations. Upon request, the County of Maui may issue special exceptions for uniquely designed structures or circumstances.

Features	Classification	Description
75% to 100% of the structure has impermeable walls	Indoor	Having 75% to 100% of the structure closed obstructs air flow, and will confine air.
50% of the structure has adjacent impermeable walls	Indoor	Air circulation is decreased in the corner where the two “closed” adjacent walls meet and will confine air.
50% of the structure has non-adjacent impermeable walls	Outdoor	With at least 50% of the non-adjacent walls in a structure being open, the resulting air movement allows for droplet/aerosols containing the COVID-19 virus to disperse rapidly. Ceilings, roofs, umbrellas, canopies, etc. are permitted.
Circular or other uniquely shaped structure with 50% non-continuous impermeable walls	Outdoor	With at least 50% non-continuous walls in a circular structure, it allows for sufficient openings to promote air flow and in turn rapid dispersal of droplets/aerosols.
Ceilings, roofs, umbrellas, canopies and other similar structures with no walls	Outdoor	This type of structure allows open-air ventilation and rapid dispersal of droplets/aerosols.

5. **Close-contact personal services**, such as hair and nail salons, tattoo parlors, estheticians, and massage must comply with State law and administrative rules, including Exhibit F to the Governor’s Twenty-First Emergency Proclamation.
6. **Commercial recreational boating**, subject to any capacity restrictions established by other applicable law/regulation, may operate without percentage capacity restrictions, but shall implement protocols to ensure that households/living units and groups maintain proper physical distancing of at least six (6) feet from each other; service and consumption of food or drinks within the vessel cabin (if any) is consistent with the “Restaurants/Bars” Rules.

- 7. Personal recreational boating.** No more than twenty-five (25) persons are allowed in any personal boat for recreational purposes (subject to lower capacity established by other applicable law/regulation). Boats shall maintain at least six (6) feet of physical distance from each other, shall not tie up to one another, and boat owners/operators shall not allow intermingling of passengers from different boats.
  
- 8. Outdoor organized sports.** This section applies to outdoor organized sports such as baseball, basketball, soccer, volleyball, softball, tennis, pickle ball, surfing, swimming, football, rugby, canoe paddling and similar outdoor sports (“Sports Program(s)”). Sports Programs may conduct skill-building drills, team-based practice, and competitive play under the following requirements and conditions:

  - a. No close contact activities, including, but not limited to, huddles, high fives, and handshakes.
  - b. Practice groups are limited to a single Sports Program team, including players and coaches. This is an exception to the general rule restricting groups to 10 or less indoors and 25 or less outdoors. Where multiple groups are present at a facility or field, Sports Program operators must implement measures to ensure that groups maintain six (6) feet of physical distance between each other at all times (i.e., no mingling between groups).
  - c. No more than two Sports Program teams may compete against each other on an outdoor field, court, etc. at a time. Each Sports Program team is limited to a maximum of 30 participants, including players and coaches. Where other competitive play/games are scheduled on the same field, court, etc., Sports Program operators must implement measures to ensure that teams waiting to play maintain six (6) feet of physical distance from the other teams playing at all times (i.e., no mingling between groups).
  - d. No more than 200 people should be present at any sports event allowed under this section, including participants, coaches, and spectators.
  - e. Spectators must observe social gathering restrictions.
  - f. Sports Program operators must implement measures to ensure that:
    - i. To the extent consistent with this section, and to the extent reasonably practicable: (1) the Sports Program operators and participants shall follow applicable guidance from the CDC ([available at https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html](https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html)); and (2) established and reputable COVID-19-related guidelines for the facility and the activity at issue.

- ii. Physical distancing protocols and procedures exist for staff, athletes, and non-program participants (including parents/guardians), with special consideration for the type of athletic activities engaged in, entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
- iii. Staff and athletes are screened (via self-screening, temperature checks or otherwise) regularly for illness or exposure to COVID-19.
- iv. Staff, athletes, and non-program participants (including parents/guardians) should consider wearing face coverings when spectating, arriving, and leaving, or must wear face coverings while indoors.
- v. Individuals from outside the Sports Program team should limit their interactions with staff and participants during drop off/ pick up.
- vi. Athletes who are sick from COVID-19 may not attend a practice or training until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
- vii. Any staff or athlete exposed to a person with a confirmed or probable case of COVID-19 may not attend the program until they have completed quarantine following CDC or DOH guidelines.
- viii. All program activities are evaluated to identify and mitigate “high-risk” activities (shared equipment, incidental close contact, etc.) to reduce or prevent COVID-19 transmission.
- ix. Sports Programs shall comply with all requirements imposed by the Department of Parks and Recreation.

**9. Indoor organized sports.** This section applies to indoor sports such as basketball, volleyball, and similar sports to be played indoors at specific indoor courts/venues at specific times (**“Indoor Sports Program(s)”**). Indoor Sports Programs may recommence practice and competitive play under the following requirements and conditions:

- a. Specific requirements/conditions
  - i. Face coverings. Face coverings (as defined in the Order) must be worn by all participants and coaches/instructors/staff at all times. For aquatic sports, face coverings may be removed prior to entering the water.
  - ii. No socializing. There shall be no socializing at the indoor courts/venues at issue before or after the scheduled Indoor Sports Program activity.

- iii. Spectators are allowed subject to the following: (1) spectators shall not exceed 33% of the pre-pandemic spectator capacity of the indoor court/venue at issue; (2) face coverings must be worn consistent with Order 5 of the Order (e.g., generally required indoors); and (3) any group of spectators shall not be larger than ten (10) individuals, consistent with Order 3 of the Order.
- iv. Implementing measures consistent with state and federal guidance. Indoor Sports Program operators must implement measures to combat the spread of COVID-19 that are consistent with the Hawai'i Department of Health's "Guidance and Considerations for Return to Youth Sports" as may be amended and all related guidance on sports (collectively "**DOH Guidance**"). Available at <https://health.hawaii.gov/coronavirusdisease2019/tag/sports/>. Furthermore, to the extent consistent with this section, and Hawai'i Department of Health guidance, Indoor Sports Program operators and participants must also follow applicable guidance from the CDC (available at <https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html>). These measures include, but are not limited to the following:
  - 1. Physical distancing protocols and procedures for staff, athletes and non-program participants (including parents/guardians), with special consideration for the type of athletic activities engaged in, entrances and exits, queues, bottlenecks, facility layouts, and safe capacity limits.
  - 2. Regular screening of staff and participants for illness or exposure to COVID-19.
  - 3. Prohibiting socializing before or after the activity.
  - 4. Ensuring participants and staff who have COVID-19 do not attend Sport Program activities until they are cleared for release from isolation according to CDC guidelines and cleared to return by a healthcare provider.
  - 5. Ensuring any staff or participant exposed to a person with a confirmed or probable case of COVID-19 does not attend the program until they have completed quarantine following CDC guidelines.

6. Evaluation of all program activities to identify and mitigate “high-risk” activities (shared equipment, incidental close contact, etc.) to reduce or prevent COVID-19 transmission.
  7. Limiting close contact. To the greatest extent reasonably practicable, physical distancing of at least six (6) feet between members of different households/living units should be maintained. For example, when not engaged in competitive team play or training that requires close contact, close contact should be reduced or eliminated to the extent possible (e.g., sitting close to teammates on a bench, standing close to teammates or opponents during downtime). Huddles, high fives, and handshakes and similarly unnecessary close contact activities should be eliminated.
  8. Competitive play/tournaments/training allowed. Indoor Sports Program activities may include competitive team play (e.g., one team against another), tournaments, and/or practice/training. This is an exception to the general rule on gatherings contained in these Rules. Where other competitive play/games are scheduled on the same court/venue, Indoor Sports Program operators must implement measures to ensure that teams waiting to play maintain six (6) feet of physical distance from the other teams playing at all times (i.e., no mingling between teams/groups).
- v. Individuals must comply with any lawful requirements imposed by the Indoor Sports Program operator.
- b. County permits
    - i. Any league, club, or group that desires to reserve a specific location and time for an indoor athletic activity allowed under this section at any County facility under the control of the County’s Department of Parks and Recreation (“**DPR**”) must apply for and obtain a permit from DPR. DPR will begin fielding requests for field/court use either informally (via availability discussions) or formally (via permit applications) upon execution of the Order. All applications are subject to availability/usability of the facility at issue and DPR’s COVID-19 guidelines.

- ii. Permit applications. To obtain a DPR permit, Indoor Sports Program operators must agree to comply with all requirements of this section and any further requirements imposed by DPR, which shall be consistent with DOH Guidance. Furthermore, Indoor Sports Program operators must submit all documentation requested by DPR to obtain a permit. Any permits issued under this section shall be null and void in the event County or State emergency orders or proclamations (or other law) related to the COVID-19 emergency prohibit activities allowed under this section.
- iii. Compliance/enforcement. Permit holders are responsible for ensuring compliance with the terms of the DPR permit granted. Failure to comply with permit conditions may result in suspension or revocation of permits without right to appeal.
- c. Nothing in this section requires a public or private Indoor Sports Program or court/venue to open.

**10. Film Production.** Provided written authorization is obtained in advance by the Mayor's office, local, national, and international film production, television production, streaming production, and similar production may operate in the County based on the guidelines and recommendations for production cast and crew members available at [https://www.honolulu.gov/rep/site/oed/oed\\_docs/Guidelines\\_and\\_Best\\_Practices\\_for\\_filming\\_on\\_the\\_Island\\_of\\_Oahu\\_during\\_the\\_time\\_of\\_COVID\\_060320.pdf](https://www.honolulu.gov/rep/site/oed/oed_docs/Guidelines_and_Best_Practices_for_filming_on_the_Island_of_Oahu_during_the_time_of_COVID_060320.pdf).

**11. Commercial event operators, including weddings and luau.** Under the supervision of professional event planners, venues or catering and convention service managers, commercial events may be conducted with the following restrictions:

- a. Outdoor venues only (e.g. permitted private venues, hotels, beaches and/or churches). The property utilized must follow all permitting/zoning regulations for such events, and must obtain or have proper authorization before conducting such event.
- b. Maximum 200 persons, including staff.
- c. Usage of face coverings are recommended.
- d. Table seating required as follows:
  - i. It is recommended that each table be reserved for members of the same household.

- ii. Food and beverage service must comply with the requirements for Restaurants and Bars.
- e. Musicians and entertainment must comply with the requirements in Paragraph 3.
- f. Dancing is allowed pursuant to physical distancing guidelines.
- g. Safety protocols are required as follows, no exceptions:
  - i. Staff and guests will require a temperature check upon arrival. Any person with a temperature over 100.4 will not be allowed to remain.
  - ii. A record of all guest names with a contact number for each guest is required for contact tracing purposes.
- h. Any requests for variation from these rules must be approved by the County of Maui.

**12. Ground transportation and commercial tour operators** that are public utilities commission certified may operate at no more than 75% capacity of each respective licensed vehicle, excluding the driver from the capacity limits. Masks must be worn at all times while in the vehicle, with proper sanitation and health and safety guidelines in place. Separate parties in each vehicle shall be physically separated to the greatest extent possible. Capacity restrictions shall not apply to transportation of passengers that belong to the same household.
