Aloha President Kouchi and Speaker Saiki:

I am sending this letter to wholeheartedly endorse Anne Lopez as the Attorney General of Hawai'i.

Anne previously served as Vice President and General Counsel for Hawai'i Health Systems Corporation (HHSC) since January 2021 and May 2015 respectively through December 4, 2022, leading the in-house legal department, including the corporate director of risk management, a staff of attorneys, and legal support staff in providing legal counsel and healthcare risk management services for Hawai'i's state-owned healthcare system and its affiliates.

She has also served as HHSC's Chief Operating Officer, Special Assistant to Attorney General David M. Louie, and as an attorney for Chun Kerr Dodd Beaman & Wong. In these roles, she created opportunities for collaborative processes between elected officials, state agencies, and community stakeholders to facilitate the passage of healthcare legislation and ensured system-wide compliance with federal and state laws.

Anne earned her J.D. from the University of Hawai'i at Mānoa William S. Richardson School of Law and her B.S. from San Jose State University in California.

I have every confidence that Anne will serve the state well in her capacity as the Attorney General of Hawai'i.

Mahalo,

Josh Green, M.D.
Governor, State of Hawai'i
