Aloha President Kouchi and Speaker Saiki:

I am sending this letter to wholeheartedly endorse Keith Regan as the Comptroller for the Department of Accounting and General Services (DAGS).

Keith served as the Business Management Officer for the Department of Commerce & Consumer Affairs, leading coordination efforts with private, state, and county agencies on building management issues, and advising administrators in long-range program planning related to budget and resource management, expenditure plans, and upgrading processes and systems to improve operational capabilities.

He also served as the Chief Administrative Officer for the Hawai'i Tourism Authority and Managing Director and Director of Finance for the County of Maui.

Keith earned an M.P.A. from the University of Southern California Price School, an M.B.A. from the University of Phoenix, and a B.S in business operations from DeVry Institute of Technology.

I have every confidence that Keith will serve the state well in his capacity as Comptroller for the Department of Accounting and General Services.

Mahalo,

Josh Green, M.D.
Governor, State of Hawai'i
