

HOUSING IN HAWAI'I . . .

The **Governor's Proclamation Relating to Housing** will streamline approval processes, helping to build housing more quickly for local residents.

- ✓ Highest level of regulations in the U.S.
- ✓ Highest median home prices
- ✓ Highest cost of living
- ✓ Most unaffordable market in the U.S.

The costs of Hawai'i regulations:

Every year, we build less than half the number of units we need for our people.

10,000 New Units Needed Every Year
