By the authority vested in me by the Constitution and laws of the State of Hawai'i, to provide relief for disaster damages, losses, and suffering, and to protect the health, safety, and welfare of the people, I, Josh Green, M.D., Governor of the State of Hawai'i, hereby proclaim as follows:

WHEREAS, under sections 127A-14 and 127A-16, Hawaii Revised Statutes (HRS), the Governor may determine whether an emergency or disaster has occurred, or whether there is an imminent danger or threat of an emergency or disaster and authorize actions under chapter 127A, HRS, including expending funds;

WHEREAS, section 127A-9, HRS, provides immunity from civil liability for certain entities and individuals while engaging in emergency management functions, including volunteers whose services are accepted by authorized persons, except in cases of wilful misconduct, gross negligence, or recklessness; and

NOW, THEREFORE, I, JOSH GREEN, M.D., Governor of the State of Hawai'i, hereby determine that an emergency or disaster contemplated by section 127A-14, HRS, is occurring in the State of Hawai'i, and to continue response, recovery, and mitigation efforts, authorize and invoke the following emergency provisions, if not already in effect upon this declaration of an emergency:

I. Invocation of Laws

Sections 127A-12 and 127A-13, HRS, for county and State agencies to provide emergency relief and engage in emergency management functions as defined in section 127A-2, HRS, as a result of and in response to this event.

Section 127A-13(a)(1), HRS, and determine that disaster-generated debris on private property in impacted areas constitutes an immediate threat to life, public health, and safety, and to the economic recovery of the community at large.

Sections 127A-13(a)(8), 127A-25, and 127A-29, HRS. I hereby order that making any unsolicited offer to an owner of real property located in the areas encompassed by United States Postal ZIP codes 96761, 96767, and 96790 on the island of Maui to purchase or otherwise acquire any interest in the real property is prohibited. I further prescribe and adopt this order as a rule having the force and effect of law under section 127A-25. Any person who intentionally, knowingly, or recklessly makes an unsolicited offer to an owner of real property located in in the areas encompassed by United States Postal ZIP codes 96761, 96767, and 96790 on the island of Maui to purchase or otherwise acquire any interest in the real property shall be guilty of a misdemeanor and upon conviction, the person shall be fined no more than \$5,000, imprisoned no more than one year, or both. The foregoing notwithstanding, it shall be an affirmative defense to prosecution if the property owner to whom the offer was made was not impacted by this wildfire emergency. For purposes of this order, "person" means any individual, partnership, corporation, limited liability company, association, or other group or entity, however organized. "Unsolicited" means not asked for or requested.

Section 127A-12(b)(16), HRS, directing all State agencies and officers to cooperate and extend their services, materials, and facilities as may be required to assist in emergency response efforts.

Section 127A-16, HRS, by activating the Major Disaster Fund.

Section 127A-30, HRS, **rental or sale of essential commodities during a state of emergency; prohibition against price increases**. For the island of Maui only, I hereby invoke, effective for the entire duration of this Eighteenth Proclamation Relating to Wildfires:

1. Section 127A-30(a)(1), HRS, the prohibition against price increases only for the essential commodity of rentals of residential dwellings. Prices for this essential commodity may not exceed regular prices that were in effect as of August 9, 2023, when Section 127A-30 was invoked in the Second Proclamation Relating to Wildfires, unless authorized by law or this Proclamation. Any additional operating expenses incurred by the landlord, and which can be documented, may be passed on to the tenant. If rent increases are contained in a written instrument that was signed by the tenant before August 9, 2023, the increases may take place under the written instrument. Provided, however, that affordable and workforce housing projects contain limited income housing units that are bound by Federal, State, and County regulatory agreements that ensure the continued affordability of the housing units by allowing reasonable tenancy terms and rental increases while protecting income limited tenants from being “priced” out of their units. Rent adjustments per the established regulatory agreements can balance affordability for residents with the operational and maintenance costs incurred. Rental income from market rate units within the projects is necessary to off-set the cost of limited income affordable units and keep the projects economically viable. This paragraph shall therefore not apply to housing projects where all the units are owned by the same entity and are: (1) subject to a regulatory agreement under chapter 201H, HRS, or chapters 2.96 or 2.97 of the Maui County Code; and (2) the regulatory agreement subjects units to governmental regulations relating to rent increases; notwithstanding that these housing projects may contain market rate units; and

2. Section 127A-30(a)(2), the prohibition against terminating any tenancy for a residential dwelling unit on Maui, except as suspended in section II, below.

Sections 127A-13(a)(8) and 127A-25, HRS. I hereby order that any tenancy between a hotel, motel, or condominium operated as a hotel or motel on the island of Maui and a person displaced by this wildfire emergency shall not be deemed to create a landlord tenant relationship, nor convert the dwelling unit of the tenancy into a residential dwelling unit, under section 127A-30, chapter 521, and chapter 666, HRS, unless specified otherwise in such tenancy agreement. I further prescribe and adopt this order as a rule having the force and effect of law under section 127A-25, HRS.

Section 201B-9, HRS. Upon the request of the Board of the Hawai'i Tourism Authority, I hereby declare that a tourism emergency exists in the State. I further authorize the Hawai'i Tourism Authority, in coordination with the Department of Budget and Finance, to use monies in the Tourism Emergency Special Fund to respond to the emergency and provide relief under section 201B-10, HRS.

Rules Relating to Immunities for Health Care Practices, as set forth in Exhibit A.

II. **Suspension of Laws**

I suspend the following specific provisions of law under section 127A-13(a)(3) to the extent that the law impedes or tends to impede or be detrimental to the expeditious and efficient execution of, or to conflict with, emergency functions, including laws which by this chapter specifically are made applicable to emergency personnel:

Chapter 6E, HRS, **historic preservation**, only to the extent necessary to: (1) allow for emergency demolition, removal, and disposal of wildfire-generated debris; and (2) allow for the construction or erection of temporary housing for use by displaced victims of the Lāhainā wildfires, provided that construction or erection of temporary housing may commence after consultation with, and upon the approval of, the State Historic Preservation Division. Any work performed under this limited suspension shall be subject to cultural, historic, and archaeological monitoring as appropriate. Section 16-95-26(b)(1), HAR, **pharmacy permit**, to the extent necessary to reopen existing pharmacy locations in areas impacted by the wildfire emergency without a sink with hot and cold water and sewage outlet, provided that: 1) reasonable alternative sources for water and sanitation are established; and 2) all other requirements under section 16-95-26 are met.

Section 23-200-10, HAR, only to the extent necessary to (1) allow registrants whose principal place of business or professional practice is directly impacted by wildfire to relocate controlled substances to another healthcare facility so long as the registrant inventories the relocated substances, segregates the stock of controlled substances, and keeps the substances secure; and (2) allow licensed Hawai'i registrants who may respond to the emergency on the islands of Hawai'i or Maui from another island to prescribe, administer, dispense, or store a controlled substance without the need for a separate controlled substance registration. This suspension is conditioned on the registrant informing the State NED beforehand and complying with any further instruction from NED.

IV. Enforcement

No provision of this Proclamation, or any rule or regulation hereunder, shall be construed as authorizing any private right of action to enforce any requirement of this Proclamation, or of any rule or regulation. Unless the Governor, Director of Emergency Management, or their designee issues an express order to a non-judicial public officer, no provision of this Proclamation, or any rule or regulation hereunder, shall be construed as imposing any ministerial duty upon any non-judicial public officer and shall not bind the officer to any specific course of action or planning in response to the emergency or interfere with the officer's authority to utilize his or her discretion.
